League Updates

Two Spring Leagues!

For the first time, TFDA will have two leagues running this spring. With the success of our Fall Co-Rec League, we are adding a Spring Co-Rec League to help the beginners out there pick up the sport. Be on the look out for more info on both upcoming leagues.

TYUL

If you haven't checked in with TYUL (Triangle Youth Ultimate League) lately, you're way behind. Lindsey Hack and crew have done an amazing job growing youth ultimate in the triangle area and beyond. It is apparent, if you have played in any of the recent hat tournaments, that young players are showing up to play with their elders. There are now leagues for High School, Middle School and a newly formed Girls League. They project 300 participants from 21 schools in the Spring High School League. That's up from 134 last year.

Recently, TYUL advertised for a Summer Club League Coordinator. If you're interested, give them a shout at tyuleague@gmail.com.

Here are just a few upcoming TYUL events:

Jan 16th: First Girls League game
Feb 5th: Middle School State Championship in Efland, NC
Feb 12-13th: High School (HS) Division at QCTU in Charlotte, NC
Feb 26-27th: HS at Ultimax
March 5th: HS Hat Tournament
March 19-20th: HS Division at Easterns in Wilmington, NC
March 2011: HS League Begins
May 2011: NC HS State Championship

Community Update

Winter Social!

The TFDA Board teamed up with Jerry Rosenberg to host a fundraising/social event for the community. The event will be on January 22 in Chapel Hill. Check out www.tfda.org for more details.

Observer Clinic

The Queen City Tune Up Qualifier is proud to host a USA Ultimate Observer Certification Clinic.

WHERE: UNC - CHAPEL HILL CAMPUS

WHEN: Feb 5-6th

REGISTRATION?: To register for the clinic people need to go the membership page <https://members.usultimate.org/members/login.php> and login to their accounts. After they have done that they need to scroll down the page and find "Sign up for an Observer Certification Clinic or Coaching Workshop" . Click on this link and it will take you to the another page, click on Workshop & Clinic Dates, Locations and Registration. This will take to the events listing. The clinic is listed as the Queen City Qualifier. People need to click on the register link and follow the sign up procedures.

Board Update

Fundraising for the Ultiplex continues to be the primary topic of discussion at recent meetings. We had a good response from Q4 efforts and hope to keep that going into the new year. We appreciate all the support the community provides us.

The board realizes that the local ultimate community is not the only possible contributor to our project and we investigate alternatives on a regular basis. Every little bit helps so if you have a good idea for helping fund the Ultiplex, let us know!

Ultiplex Update

The meeting with the planning commission in January was postponed due to weather. The meeting will take place in February.

For info on the project click on this link, [Ultiplex](#).
