Ultimate fun and fitness for Triangle youth and adults

Ultiplex Update

Our most recent meeting with the planning commission resulted in a 6-6 tie on whether to approve our plan. We're better off than the previous 5-7 vote against the plan but we still have work to do.

The next meeting will be with the County Commissioners on August 8th. We'll need your support to convince the County Commissioners the Ultiplex is a good idea and they should allow us to move forward with the Riley Drive location.

Fundraising

We'd like to thank all the people who have contributed during our current fundraising drive. We know its the middle of the summer and there are a million other things to think about so we appreciate your help.

Along these lines, if you have any ideas for fundraising or bringing sponsors on board, please send those to board@tfda.org

Saturday, July 2

NexGen Ultimate Tour!!!!

The NexGen Tour is coming to Raleigh/Durham on Thursday July 20th. This event is a team of the best players in the open college division visiting high profile ultimate cities to play the resident elite open club team. For the Triangle, the NexGen tour team will be playing Ring of Fire on the evening of July 20th. Before the showcase game though, there will be a (3) hour youth workshop orchestrated and taught by the NexGen Tour participants themselves (which includes our local favorite - Noah Saul - of UNC-CH Darkside).

Who: Workshop is for boys and girls ages 13-18 - Showcase game is for anyone and everyone!!!!

When: Thursday July 20th

Time: Workshop is from 2-5pm - Showcase game begins at 7pm

Where: Workshop is at

TFDA Corporate Tourney?

I'm sure many of you have been curious about the corporate tournament and when that would be. We are unable to hold the tournament this year due to a lack of field space.

We'll try to bring this back next year.

If anyone has connections for fields at their company and could host 6-8 teams, let us know!

TFDA Volunteer!

There are a lot of things going on this summer and we can use your help!

TFDA is currently looking for League Organizers and Commissioners. You would be part of a team that helps run the leagues we all enjoy!

TYUL always has an interest in people willing to help captain and organize their youth teams. Come out and help shape the future! *Bonus, you'll know those ringers at the next draft before anyone else!*

You can find volunteer opportunities on our site under [Volunteer](#).

Githens Middle School in
Durham, NC - Showcase
game is at Wake Med Soccer
Park Field #2 in Cary, NC

Registration: Register for
the workshop at
[nexusgentour.com/workshops/
register](http://nexusgentour.com/workshops/register)

Cost: Workshop is \$20.00
for an USAU Member and
\$25.00 for a Non-USAU
Member - Showcase is \$5.00
